**COME NOW**, the Pro-Se Plaintiffs, individually and on behalf of all others similarly situated, bring this class action complaint pursuant to:

**FILED**

JUN 25 2024 JB

**CAUSE OF AUCTION**

THOMAS G. BRUTON  
CLERK, U.S. DISTRICT COURT

**VIOLATIONS OF THE ILLINOIS CONSUMER FRAUD AND DECEPTIVE**

**BUSINESS PRACTICES ACT (ICFA), 815 ILCS 505/1**

ON February 1, 2024, The Plaintiffs Robinson and Kimbrough, drove their vehicle to Walmart to purchase some NON-ALCOHOL Deodorant. Both Plaintiffs paid 2.69 cent each

<sup>1</sup> see. Walker V. Nestle USA, Inc., No. 319-cv-723-L-DE, 2022 U.S. Dist. Lexis 56178, at 1-2 (S.D.Cal. Mar. 28, 2022) ( denying motion to dismiss claims that "statement [were] deceptive because they falsely

lead consumers to believe that the products were produced in accordance with socially responsible standards”).

for the deodorant, because Plaintiffs have had an allergic reaction from Products containing Benzyl alcohol inside of the deodorant.

While looking for some deodorant plaintiffs saw this Dove product which says “NO ALCOHOL” on the front of the deodorant. After using the product for the first time, the Plaintiffs noticed an irritating feeling, as if Plaintiffs were having an allergic reaction.

Sure, after examining the ingredients, Plaintiffs noticed this product contained Benzyl Alcohol inside of it, and Plaintiffs broke out from the deodorant. Dove deceived me along with others similarly situated into buying their product by falsely advertising that this product has “NO ALCOHOL” inside of it, on the front label. See Bell, 982 F.3d at 477 (“reasonable consumer standards does not presume, at least as a matter of law, that reasonable consumers will test prominent front-label claims by examining the fine print on the back label”).

Plaintiff, and the Illinois subclass members have been injured by their purchase of the products, which were worth less than what they bargained and/ or paid for, and which they selected over other deodorants products that may have been truthfully marketed. Defendant advertising induced Plaintiffs Robinson and Kimbrough, plus the Illinois subclass members to buy the products, to buy more of them, and/ or to pay the price requested.

As a direct and proximate result of Defendant violation of ICFA Statute, Plaintiffs and other members of the Illinois subclass paid for falsely advertised Products and, as such, have suffered damages in an amount to be determined at trial. Plaintiffs bring this putative class action on behalf of themselves and all Consumers in the State of Illinois

who purchase the products during the statute of Limitations.

### ***PARTIES***

Plaintiffs Keith Robinson and Willie Kimbrough are citizens and residents of Chicago, Illinois. Defendant Unilever US/Dove place of business in Englewood Cliff, NJ and sell Dove products to Consumers in Illinois and other surrounding states in America.

### ***JURISDICTION AND VENUE***

This Court has Jurisdiction over the Subject matter of this action Pursuant to 28 U.S.C. section 1332 (d) (2), because the matter in controversy exceeds \$5,000,000 exclusive of interest and costs and is a class action in which at least one member of the class is a citizen of a different state than Defendant. The number of members of the proposed classes in aggregate exceeds 100 users. 28 U.S.C section 1332 (d)(5)(B).

This Court has Personal Jurisdiction over the defendant because it regularly conducts and or solicits business in this District.

Venue is proper in this district pursuant to 28 U.S.C. section 1391(b) because Defendant does business in this District and sells Deodorant in Walmart, CVS, Walgreen, and plenty of other stores in the 7<sup>th</sup> District.

### ***CLASS ALLEGATIONS***

Plaintiff brings this action individually and as representatives of all those similarly situated, on behalf of the below-defined classes:

Nationwide class: All persons who purchase the deodorant, this case is appropriate for class treatment because Plaintiff can prove the elements of their claims on a class wide basis using the same evidence as would be used to prove those elements in individual actions alleging the same claims.

Numerosity: The members of the classes are so numerous that joining all members would be unfeasible and impracticable. The precise membership of the classes is unknown to Plaintiffs currently; however, it is estimated that the classes number is greater than one hundred individuals. The identity of such membership is readily ascertainable via inspection of defendant sales records or other approved methods. Class members may be notified of the tendency of this action by mail, email, internet posting, and or Publication.

Questions of Law and fact common to all class members Predominate over questions affecting only individual class members. These frequent questions of Law and fact include, without limitation:

- (A) Whether, and in which Proportion, Defendant are responsible for the misleading advertising to Consumers at issue?
- (B) Whether the advertising was false, or deceptive?
- (C) Whether Defendant actions or in actions violated the Consumer Protection statute invoked herein?
- (D) Whether Plaintiff and the Class members were damaged by Defendant conduct, stating "NO ALCOHOL" and knowing it was Alcohol in the Deodorant?
- (E) Whether Defendant adequately disclosed the facts that it was Alcohol inside the Deodorant?

***APPOINTING CLASS COUNSEL***

Plaintiffs requesting the Court to appoint Class Guardian over this Class action Lawsuit SEE RULE 23(G).

***PRAYER FOR RELIEF***

WHEREFORE, Plaintiff, individually and on behalf of the classes, demands a Jury trial on the "ICFA" Claim so triable and Judgment as follows:

- (1) Certifying the Proposed classes by appointing Plaintiffs as representative of the class, and appointing class Guardian over this class action Lawsuit.
- (2) Awarding the Plaintiffs 30 million dollars for the injures Plaintiff suffered.
- (3) Awarding Punitive and exemplary damage.
- (4) Awarding Prejudgment interest at the maximum rate permitted by applicable law.
- (5) Enjoining the defendant from selling false and misleading labels on their Product (deodorant) by stating that there is no Alcohol in the Deodorant, and you know it has Alcohol.

Good longevity

I won't say its the best roll on I have used, but in terms of value for money it is high on my list. Most deoderants dont perform this well and people tend to use antipersperants for odor control and sweat. I find that I will still sweat a little with this deoderant, howvever the smell is pleasant all day. I like that it doesnt have those harmful chemical like some other ones that used to irritate my skin. I feel at ease knowing there is zero aluminium in this one as well. Or at least so they say.

Best Deodorant I Have Ever Used!

Reviewed in the United States on March 22, 2023

Style: Stick    Verified Purchase

Like the soap from Dove this deodorant was a life saver for me. I used another brand when my original store bought stick was not working for me and was embarrassing the smell it could not control.

This other brand seemed to work at first but unbeknownst to me it was very strong and subsequently burned both my armpits. They became dark red and my family was in shock to say the least.

After that went away I went on a hunt here at Amazon and came across the Dove for Men product. Since my first time till today no issues at all. It is soft but yet keeps clean and no smell. It is that damn good! I will not look at any other brand. I truly believe in this product and this is not a paid review. I honestly like it and hope they keep making it for many years. Again buying in bulk is nice and lasts for months for me.

Please consider this product but be aware just because it worked for me does not mean it would work for you. Im confident that most that try it it should work. Thank You DOVE!!

Great but doesn't last as long as advertised

Reviewed in the United States on July 4, 2023

Style: Stick    Verified Purchase

I love the smell of it. After I started using it I noticed my armpits don't itch as compared to other deodorants. There is also less pit stains on my shirts. However I'd say it only lasts for about 4 hours, afterwards I find that I need to reapply. Given the feeling of this deodorant as compared ones with aluminum, I prefer to continue using it but simply reapplying.

It's deodorant

It's about what you would expect. Do I need 4 sticks of deodorant? No, but buying in bulk is normally cheaper if you can afford it. Sticks came all packaged in plastic together. No signs of damage and they work great. Mild scent if you are not big on the scents.

Didn't agree with me

I didn't like this as it dried out my underarm, it looked flaky at times or shiny smooth, it also was very itchy. Due to those effects I got rid of the rest of them.
